2009 CAIO G3400 Coach Bus
Ref: 8CAB2827

2009 Freightliner Chassis, 228" Wheelbase (5800mm)
Cummins ISB-280HP Engine @2400 RPM, 2600 GOV, 660 LB/FT @ 1600 RPM
Cummins supplied surge tank bracket mounted fuel filter/fuel water separator without heater
Farr BC Air Cleaner
Rear Engine Air Intake Plenum outboard mounted on LH side
Cummins Exhaust Brake integral w/variable geometry turbo
Cummins 15.2 CFM Air Compressor
Electronic engine integral shutdown protection system with low coolant
Engine After Treatment Device, Automatic Over the Road
Regeneration and Dash Mounted Regeneration Switch
LN 12V 270 AMP 4944 alternator w/smartchek diagnostic
(2) Deka Group 8D, 12V 2270 CCA Batteries
Kissling 400A through Mount Battery Shut Off Switch
Phillips 750 watt/115 volt block heater
1260 sq in aluminum worldwide side mounted radiator
Rubber/steel coolant lines -rear engine
Allison B-300 automatic transmission
Castrol Transynd synthetic transmission oil
4th Gen common push button electronic shifter w/remote mounted. ecu and shifter mounting plate
(only avail w/3000 PTS/B300 transmission)
ZF Independent front axle @14,600 lbs.
Bendix ADB22X Air Disc Front Brakes
Z-F 8018 Power Steering Gear 12" forward position - 60 Degree Wheel Cut
14,600# ZF RL67EM Independent front air suspension
Sachs Front Shock Absorbers
ARS-23 23,000 lb. R-SRS Single Rear Axle
5.13 Rear Axle Ratio
1710 Dana Spicer main driveline with half round yokes
Meritor 16.5 x 7 Q+ cast spider cam rear brakes
Neway ADLXB rear air suspension - 23,000 lb. capacity
Sachs Rear Shock Absorbers
Manual dump valve for air suspension
Drive line guard
Air Brake package
Wabco 4S/4M ABS w/o traction control enhancement
Haldex Air Dryer
Schrader valve-external charging
5/16"x2.81"x9-1/8" formed steel frame 50KSI with lowered rear section
100 gallon/378 liter rectangular steel fuel tank-between rails
LH & RH side fill fuel tank cap
Front tires: GoodyearG670 RV 295/80R 22.5 16 ply radial (match marked)
15,160 mfr. max cap lbs/per axle
Rear tires: GoodyearG670 RV 295/80R 22.5 16 ply radial (match marked)

Northern Bus Sales, Inc.
13 Rebel Road
Hudson, NH 03051
Tel: 603-886-0880

26,880 mfr. max cap lbs/per axle
Front wheels: Accuride 28487 22.5 x 8.25, 10-hub piloted
Rear wheels: Accuride 28487 22.5 x 8.25, 10-hub piloted
Spare tire: Goodyear G670 RV 295/80R 22.5 16 ply radial (match marked)
Spare Wheel: Accuride 28487 22.5 x 8.25, 10-hub piloted white
Dual electric horns
Daytime running lights
Cab Standard Wiring
3/4" heater plumbing hose to front of chassis
Sanden compact air conditioner compressor
(1) Supplemental power source 12V 135 amp for body builder
Radiator mounted air conditioner condenser
TRW Tilt/Telescopic Steering column w/foot pedal
4-spoke 450mm (18") VIP black wheel-leather wrapped w/switches
5" Primary & secondary air pressure gauges w/integral coolant temp & oil pressure gauge
Low air pressure light and buzzer
Engine compartment mounted air restriction indicator
2" Electric fuel gauge
Multiplexed engine coolant temperature gauge contained in multi-gauge
2" Transmission oil temperature gauge
Multiplexed engine oil pressure gauge contained in multi-gauge
5" Speedometer Gauge, 5" tachometer integral with volt and fuel
Multiplex voltmeter contained in multi-gauge
Back-up alarm
Electronic engine cruise control in turn signal lever
Electronic engine cruise control in steering wheel horn pad w/high idle feature
Programmable RPM control - electronic engine
Driver's message center w/integral LCD display, data-linked
Washer/wiper wiring provision -outside cab
(Required-Ava Smart wheel only)
Self Cancel turn signal switch w/dimmer and cruise control in handle
Turn signal flasher with headlamp control module

Caio Bus Body Specifications:

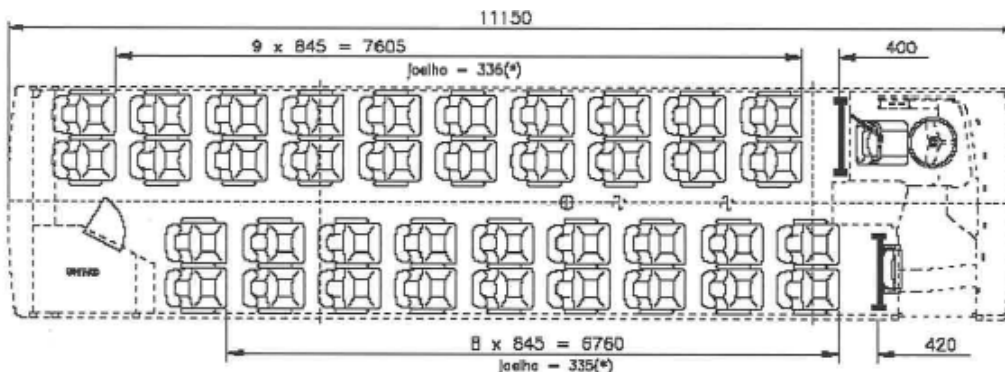

Baggage Compartments Under floor, 276cf, No Rail
Baggage Door, Central Locking System
LED Central Cabin Lights
LED Exterior Marker Lights
LED Exterior Tail Lights
LED Interior Reading Lights
Interior Overhead Luggage Bins w/integrated grab rails
Electric Remote Exterior mirrors
Multiplex Electronics w/digital read out
